How can I activate my ATM card through net banking?

Can I transfer money from ATM to another account?

Can I use ATM card for online payment?

How can I activate my ATM card through net banking?

You need to login to the respective bank's internet banking portal. Once you log in, go to the section marked as 'Debit Card'. There will be instructions on how to generate an ATM PIN for your Debit Card. Generate an ATM PIN by following those instructions and your Debit Card will be activated online.
